ed with assembly? We have about 10 on the go right now. I really don't want to wait to have more made...we have 79 of the painted in stk of D3537-  
the D3537-3's. shall I get all the w/o's off the shop floor and remove the powder coat? Do I need someone to sign this off?

anyone that can answer me:  
arplates D4956-XX that replace the D3535-XX are SS unpainted, but the wearpads D3537-1/-3 are painted, does this matter?
